Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Employing a Writing Coach (0.4FTE) to build capability of teachers in effectively teaching writing skills, particularly using the Six Traits of Writing
- Employing additional Learning Support teachers (1.8FTE) to meet the specific literacy needs of students
- Employing an Advanced Learning Coach (0.2FTE) to build capability of teachers in differentiating for high-achieving students
- Accessing the Master Teacher role (0.4FTE) to build capability of teachers in aligning teaching, learning and assessment, particularly using collaborative data inquiry processes
- Employing Teacher Aides to consolidate student learning in literacy, particularly reading
- Implementing Classroom Profiling as a tool to provide teachers with feedback and encourage reflective practice
