

SMS COMMUNICATION AGREEMENT

As an additional means of communication to families, the school utilises an SMS messaging system. This system will be used only to inform families of event cancellation, flood situations or other emergencies. The majority of school families are part of this communication system. If you do not wish to receive these emergency messages please advise the office in writing.

We will require **one** mobile phone number per family for the SMS database, unless parents are residing at separate addresses.

If parents change mobile phone numbers please notify the school at the earliest possible convenience.

Anita Bond
Principal, Ashgrove State School
